

**KCAFA – Junior Foil Championships 2015
10th May
Eric Liddle Sports Centre (Eltham College)**

FINAL RESULTS

A good day's fencing was had by all. Aside from an unfortunate power-cut, which affected the lighting in the hall to a degree, and some horrendous traffic on the A20 - which meant that a couple of fencers were unfortunately unable to compete - the day went smoothly.

It was fantastic to see so many young fencers enjoying themselves, and engaging in the competition with skill, humor, and sportsmanship. Of course, congratulations must go to those who medaled - the quality of the fencing was very high!

Manola and I would like to extend our profound gratitude to all those who helped make this day work so well:

To Allez Fencing, Blackheath FC, Kent Fencing, and Eltham College FC for providing the piste equipment.

To the Eric Liddle Sports Centre and its staff,

To Eltham College for enabling us to use their hall and facilities,

To the coaches,

To the fencers,

To all those who stayed behind to help tidy up,

And especially to all those who refereed - without whom today could not have happened so well!

Final Results are listed below and will be published on the Kent Fencing website.

Very best wishes, and see you all next year, or at the other KCAFA competitions!

Andrew Webber

Schools' Secretary
