

# Development Grants

Applications are invited from Clubs, Counties and Regions, for grants to support projects that will develop fencing. Grants up to a maximum of £300 each will be awarded subject to available funds. (For projects requiring a larger grant, consider Sport England Small Grants [http://www.sportengland.org/funding/small\\_grants.aspx](http://www.sportengland.org/funding/small_grants.aspx) )

***Applications for grants for projects which measurably enhance the links between a local school or School Sport Partnership and a Region, County Union or Club, and/or applications for grants for projects which are directly concerned with coach development, will receive priority. All clubs or coaches benefiting from the grant must be members of England Fencing.***

Grants will be decided by an awards panel comprising three members of the England Fencing Executive Board. Applications will be considered in 3 monthly rounds whilst funds allow.

**The deadline for the first funding round will be 16<sup>th</sup> July 2010.**
